Quality Value Service

Choose Kronos for quality, value and service.

Kronos has the resources to negotiate manufacturers' contracts, yet small enough to offer deep discounts from lower operating expenses. Our wholly owned distribution warehouse has the latest technology to ensure product quality and freshness. Our company owned fleet of refrigerated trucks ensures products arrive at safe temperatures.

Service is our strength. A dedicated team of buyers, inside sales representatives, outside territory managers and courteous delivery drivers will ensure your store has the products it needs on time.

Ontario's independent broadline distributor, delivering quality and value for over 35 years.
